

Overseas Family School

Moving In August 2015

Some things change, some things remain the same. With our new school at Pasir Ris next year, students will enjoy new state-of-the-art classrooms, arts, sports and school facilities, all in a space near nature. Our students can still expect the same multicultural environment, management, teaching teams and program. Our new and larger home is connected to major expressways in Singapore.

From August 2015, classes commence at our Pasir Ris school.

Our master policy is to maintain a happy, safe and effective school for overseas families living in Singapore
